Lecompte Calvados 18 jaar oud

"For eighteen years Lecompte's Cellar Master has nurtured and guided this Calvados to perfect maturity. Now it's time for the chick to fly the nest, where she can spread her wings and reveal her sweet nose of honey and subtle woody aromas, accented with delicious hints of caramelised apples. A relative youth in Lecompte's pantheon of Great Calvados, the Cuvée 18 is already an unmistakably superior vintage." -Producer
