Glenfiddich "The Original"

- Schotland

Inspired by the pioneering spirit of Sandy Grant Gordon, this historic expression is a recreation of the original 1963 Glenfiddich Straight Malt that started the single malt category.

Our Malt Master, Brian Kinsman, recreated the Original 1963 from our unrivalled collection of aged whiskies with the recipe uncovered from the Glenfiddich family archives.

While most whiskies today mature in oak, sherry casks were more prominent in 1963. The result, then and now, is a spirit contrasting many of our other expressions.

The aroma is floral with the hallmark Glenfiddich pear, followed by lively fruit notes, biscuity with a soft vanilla oakiness and deliciously dry finish.
